A public hearing will be conducted at 10:00 a.m. on August 30, 2004, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, Kansas, to consider the adoption of proposed rules and regulations.

The 60 day notice of the public hearing shall constitute a public comment period for purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to Deletria Nash; Kansas Insurance Department, 420 S.W. 9th, Topeka, Kansas, 66612-1678. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

A summary of the regulation and its economic impact follows.

**K.A.R. 40-3-52. Fire and casualty insurance; mobile homes; rates and charges.** This regulation governs the establishment of rates and premium charges for fire and casualty insurance on mobile homes. It specifically requires insurers to use the age and condition of mobile homes when setting rates and premium charges.

The fiscal impact on insurers is indeterminable. The impact on consumers will be positive in that consumers will be charged premiums that more accurately reflect the coverage they are receiving while the impact on the Kansas Insurance Department and other governmental agencies is minimal, if any.
