This is a brief summary of the Kansas Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. If there is any inconsistency between this notice and Kansas law, then Kansas law will control.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Kansas law, with funding from assessments paid by other insurance companies. This safety net was created under Kansas law, which determines who and what is covered and the amounts of coverage. The basic protections provided by the Association are:

- **Life Insurance**
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values

- **Health Insurance**
  - $500,000 in hospital, medical and surgical insurance benefits
  - $300,000 in disability insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

- **Annuities**
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits, as well as certain aggregate limits.
